Wheat

*Program may not be available in all counties. Dates may vary for Margin Protection.

Crop Insured

Small Grains are insurable if:

- You have a share;
- Premium rates are provided by the actuarial documents;
- Grown on insurable acreage; and
- Planted for harvest as grain.

For crops, types or practices not insurable in a county, consult a crop insurance agent about the availability of coverage through a written agreement.

Insurance Period

Coverage begins at the later of when we accept your application or the date when the crop is planted, and ends with the earliest occurrence of one of the following:

- Total destruction of the crop;
- Harvest of the unit;
- Final adjustment of loss;
- Abandonment of the crop;
- July 31 in Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee;
- August 31 in Virginia;
- September 25 in Alaska; or
- October 31 for all other states.

See crop provisions for additional information.

Acreage Reporting Requirements

You must file a report of planted acreage with your crop insurance agent by the acreage reporting date. Acreage reporting dates vary by crop and county, consult your crop insurance agent for more information and specific reporting requirements.

Causes of Loss

You are protected against the following:

- Adverse weather conditions, including natural perils such as hail, frost, freeze, wind, drought, and excess precipitation;
- Earthquake

Duties in the Event of Damage or Loss

If a loss occurs you must:

- Protect the crop from further damage by providing sufficient care;
- Notify your crop insurance agent within 72 hours of your initial discovery of damage, but not later than 15 days after the end of the insurance period; and
- Leave representative samples for each field of the damaged unit.

- Earthquake;
- Failure of the irrigation water supply, if caused by an insured peril during the insurance period;
- Fire;
- Insects and plant disease, except for insufficient or improper application of pest or disease control measures;
- Wildlife;
- Volcanic eruption; or
- For revenue protection only, a change in the harvest price from the projected price, unless the Federal Crop Insurance Corporation can prove the price change was the direct result of an uninsured cause of loss.

Coverage Levels and Premium Subsidies

The premium subsidy percentages and available coverage levels, if electing basic units, are shown below. Your share of the premium will be 100 percent minus the subsidy amount.

	Percent							
Coverage Level	50	55	60	65	70	75	80	85
